

# Schemper's **ACE** Hardware

The **helpful** place.

150 N. Wilma Ave. Ripon, CA 95366 (209) 599-2141 info@schempersace.com

---

Welcome to our Web Site. It is our hope that this site will give you the information you searching for and allow you to find out more about us.

As a family, we have been honored to serve the Ripon Community and surrounding area for over 50 years. In 1954, John and Leonard Schemper purchased Den Dulk Hardware located at 121 W. Main Street in downtown Ripon. A generation later and 4 locations bring us to the present (Read more about our history under About Us).

Over the years the success and growth of our company resides in our culture. That is, we must earn our customers trust and business, we must be honest and fair in all of our dealings, we hold customer service in the highest regard, we will provide an enjoyable place to work and be fair to our staff in all areas of employment and that we will give back to our community, through our involvement in and donations to the community and its organizations.

Well, take a look at us and what we have to offer through this site. If you have a chance, please stop by our store and experience the wide variety and products we offer, and see what excellence in customer service is.

Welcome to Schemper's Ace Hardware.

Sincerely,  
Ward Schemper
